

KORA

NERO BUONO
LAZIO - INDICAZIONE GEOGRAFICA TIPICA

A monovarietal Nero Buono that pays tribute to our town of Cori. The grapes, from our own vineyards, have excelled over time for sheer quality.

- **PRODUCT SHEET**

Grapes: 100% Nero Buono, ABV: 14%

- **VINEYARD**

Row-trained vineyards are found at an average altitude of 250m asl. The soil, of volcanic clay origin, combined with a Mediterranean climate of rainy winters and dry summers guarantees the grapes are of stellar quality. Yields per hectare are very low at around 60 quintals. Harvest takes place from the last ten days of September to early October. Kora ages two years in oak

- **ORGANOLEPTIC SHEET**

Intense ruby red, this dry wine shows structured with hints of leather and undergrowth, and some balsamic notes.

The nose is harmonious and persistent, with a full, all-embracing palate. Perfect with robust dishes or recipes with strong, full flavours. A truly cellarable wine, we recommend uncorking 4-5 years from harvest
